11 drug or alcoholic beverage to an extent or in a manner dangerous to himself or

17 **FIRST CAUSE FOR DISCIPLINE**

18 (Using or Possessing Controlled Substance to an Extent that the Use Impairs His
19 Ability to Engage in the Practice of Acupuncture with Safety to the Public)

20 7. Respondent is subject to disciplinary action under section 4955, as defined by section
21 4955, subdivision (a), in that he used or possessed a controlled substance and dangerous drug to
22 an extent or in a manner dangerous to himself, any other person or the public, and to an extent
23 that the use impaired his ability to engage in the practice of acupuncture with safety to the public.

24 The circumstances are as follows:

25 January 28, 2011 arrest:

26 8. On or about January 28, 2011, Deputy Sheriff Jaime Crispin was on duty and in full
27 uniform. Around 1218 hours, she and a fellow Officer were dispatched to a possible welfare
28 check call at defendant's residence at 33475 Music Camp Drive, in the community of Arrowbear.

1 The two officers arrived on scene at 1249 hours and made contact with defendant and one other
2 male adult.

3 9. In the residence, Officer Crispin noticed an orange pipe lying on the kitchen counter.
4 On the same counter and near the pipe, which was similar to the pipes used for smoking
5 methamphetamine, was a small glass decorative shelf with a small amount of white crystalline
6 substance on it. While speaking to defendant, Officer Crispin also noticed that defendant
7 exhibited signs and symptoms of being under the influence of a controlled substance. In reply to
8 her question about possible drug use, defendant admitted having used some "meth" while at his
9 residence approximately one day previously. Defendant told Officer Crispin that he was a
10 frequent user but had never been arrested for drug use or possession.

11 10. Defendant was arrested and transported to West Valley Detention Center, where he
12 was booked in for a violation of Health and Safety Code section 11350, subdivision (a)
13 (possession of a controlled substance).

14 11. On the same date, Officer Crispin conducted a field test on the white crystalline
15 substance found on the glass shelf in defendant's residence and found the substance to belong to
16 the drug class of amphetamines (including methamphetamine). Subsequently, analysis of a blood
17 sample obtained from defendant on January 28, 2011 confirmed the presence of amphetamines in
18 his blood.

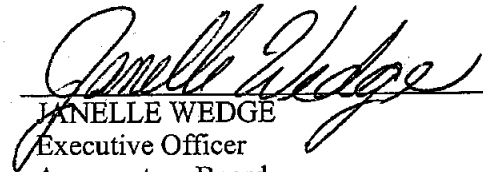

19 12. On or about March 3, 2011, charges were filed against defendant, alleging a violation
20 of Health and Safety Code section 11550, subdivision (a) (being under the influence of a
21 controlled substance).

22 November 9, 2011 arrest:

23 13. After the filing of charges on March 3, 2011, defendant failed to appear on or about
24 March 21, 2011 and a warrant for his arrest was issued. On or about April 20, 2011, defendant
25 appeared at arraignment and was ordered to appear again at the San Bernardino Superior Court on
26 May 4, 2011. On or about May 4, 2011, defendant was present and ordered to appear at a pre-
27 trial hearing on August 29, 2011. Defendant failed to appear at the pre-trial hearing and a second
28 warrant was issued for his arrest.

3. Taking such other and further action as deemed necessary and proper.
