17  
18 Complainant alleges:

19 **PARTIES**

20 1. Janelle Wedge (Complainant) brings this Accusation solely in her official capacity as  
21 the Executive Officer of the California Acupuncture Board (Board).

22 2. On or about May 11, 1998, the Board issued Acupuncture License Number AC 6200  
23 to Tracy Stevenson, L.Ac., aka Yang Hong Cui (Respondent). This license was in full force and  
24 effect at all times relevant to the charges brought herein and will expire on September 30, 2011,  
25 unless renewed.

26 **JURISDICTION**

27 3. This Accusation is brought before the Board under the authority of the following  
28 laws. All section references are to the Business and Professions Code unless otherwise indicated.

1           4.    Section 4955 of the Code states:

2           "The board may deny, suspend, or revoke, or impose probationary conditions upon, the  
3 license of any acupuncturist if he or she is guilty of unprofessional conduct.

4           "Unprofessional conduct shall include, but not be limited to, the following:

5                 "(a) Using or possessing any controlled substance as defined in Division 10  
6 (commencing with Section 11000) of the Health and Safety Code, or dangerous drug  
7 or alcoholic beverage to an extent or in a manner dangerous to himself or herself, or  
8 to any other person, or to the public, and to an extent that the use impairs his or her  
9 ability to engage in the practice of acupuncture with safety to the public.

10                "(b) Conviction of a crime substantially related to the qualifications, functions,  
11 or duties of an acupuncturist, the record of conviction being conclusive evidence  
12 thereof.

13                "(c) False or misleading advertising.

14                "(d) Aiding or abetting in, or violating or conspiring in, directly or indirectly,  
15 the violation of the terms of this chapter or any regulation adopted by the board  
16 pursuant to this chapter.

17                "(e) Except for good cause, the knowing failure to protect patients by failing to  
18 follow infection control guidelines of the board, thereby risking transmission of  
19 blood-borne infectious diseases from licensee to patient, from patient to patient, and  
20 from patient to licensee. In administering this subdivision, the board shall consider  
21 referencing the standards, regulations, and guidelines of the State Department of  
22 Health Services developed pursuant to Section 1250.11 of the Health and Safety Code  
23 and the standards, regulations, and guidelines pursuant to the California Occupational  
24 Safety and Health Act of 1973 (Part 1 (commencing with Section 6300) of Division 5  
25 of the Labor Code) for preventing the transmission of HIV, hepatitis B, and other  
26 blood-borne pathogens in health care settings. As necessary, the board shall consult  
27 with the Medical Board of California, the California Board of Podiatric Medicine, the  
28 Dental Board of California, the Board of Registered Nursing, and the Board of

1 Vocational Nursing and Psychiatric Technicians, to encourage appropriate  
2 consistency in the implementation of this subdivision.

3 "The board shall seek to ensure that licensees are informed of the responsibility  
4 of licensees and others to follow infection control guidelines, and of the most recent  
5 scientifically recognized safeguards for minimizing the risk of transmission of  
6 blood-borne infectious diseases.

7 "(f) The use of threats or harassment against any patient or licensee for  
8 providing evidence in a disciplinary action, other legal action, or in an investigation  
9 contemplating a disciplinary action or other legal action.

10 "(g) Discharging an employee primarily for attempting to comply with the  
11 terms of this chapter.

12 "(h) Disciplinary action taken by any public agency for any act substantially  
13 related to the qualifications, functions, or duties of an acupuncturist or any  
14 professional health care licensee.

15 "(i) Any action or conduct that would have warranted the denial of the  
16 acupuncture license.

17 "(j) The violation of any law or local ordinance on an acupuncturist's business  
18 premises by an acupuncturist's employee or a person who is working under the  
19 acupuncturist's professional license or business permit, that is substantially related to  
20 the qualifications, functions, or duties of an acupuncturist. These violations shall  
21 subject the acupuncturist who employed the individuals, or under whose  
22 acupuncturist license the employee is working, to disciplinary action.

23 "(k) The abandonment of a patient by the licentiate without written notice to the  
24 patient that treatment is to be discontinued and before the patient has had a reasonable  
25 opportunity to secure the services of another practitioner.

26 "(l) the failure to notify the board of the use of any false, assumed, or fictitious  
27 name other than the name under which he or she is licensed as an individual to  
28 practice acupuncture."

1           5.    Section 4955.1 of the Code states:

2           "The board may deny, suspend, revoke, or impose probationary conditions upon the license  
3 of any acupuncturist if he or she is guilty of committing a fraudulent act including, but not be  
4 limited to, any of the following:

5                 "(a) Securing a license by fraud or deceit.

6                 "(b) Committing a fraudulent or dishonest act as an acupuncturist.

7                 "(c) Committing any act involving dishonesty or corruption with respect to the  
8 qualifications, functions, or duties of an acupuncturist.

9                 "(d) Altering or modifying the medical record of any person, with fraudulent  
10 intent, or creating any false medical record.

11                 "(e) Failing to maintain adequate and accurate records relating to the provision  
12 of services to their patients."

13           6.    Section 4959 of the Code states:

14                 "(a) The board may request the administrative law judge, under his or her  
15 proposed decision in resolution of a disciplinary proceeding before the board, to  
16 direct any licensee found guilty of unprofessional conduct to pay to the board a sum  
17 not to exceed actual and reasonable costs of the investigation and prosecution of the  
18 case.

19                 "(b) The costs to be assessed shall be fixed by the administrative law judge and  
20 shall not in any event be increased by the board. When the board does not adopt a  
21 proposed decision and remands the case to an administrative law judge, the  
22 administrative law judge shall not increase the amount of any costs assessed in the  
23 proposed decision.

24                 "(c) When the payment directed in the board's order for payment of costs is not  
25 made by the licensee, the board may enforce the order for payment in the superior  
26 court in the county where the administrative hearing was held. This right of  
27 enforcement shall be in addition to any other rights the board may have as to any  
28 licensee directed to pay costs.

1           "(d) In any judicial action for the recovery of costs, proof of the board's  
2 decision shall be conclusive proof of the validity of the order of payment and the  
3 terms for payment.

4           "(e) All costs recovered under this section shall be considered a reimbursement  
5 for costs incurred and shall be deposited in the Acupuncture Fund."

6           7. Section 4961 of the Code states:

7           "(a) Every person who is now or hereafter licensed to practice acupuncture in this state  
8 shall register, on forms prescribed by the Acupuncture Board, his or her place of practice, or, if he  
9 or she has more than one place of practice, all of the places of practice. If the licensee has no  
10 place of practice, he or she shall notify the board of that fact. A person licensed by the board  
11 shall register within 30 days after the date of his or her licensure.

12           "(b) An acupuncturist licensee shall post his or her license in a conspicuous location in his  
13 or her place of practice at all times. If an acupuncturist has more than one place of practice, he or  
14 she shall obtain from the board a duplicate license for each additional location and post the  
15 duplicate license at each location.

16           "(c) Any licensee that changes the location of his or her place of practice shall register each  
17 change within 30 days of making that change. In the event a licensee fails to notify the board of  
18 any change in the address of a place of practice within the time prescribed by this section, the  
19 board may deny renewal of licensure. An applicant for renewal of licensure shall specify in his or  
20 her application whether or not there has been a change in the location of his or her place of  
21 practice and, if so, the date of that change. The board may accept that statement as evidence of  
22 the change of address."

23           8. Section 4956 of the Code states:

24           AA plea or verdict of guilty or a conviction following a plea of nolo contendere made to a  
25 charge which is substantially related to the qualifications, functions, or duties of an acupuncturist  
26 is deemed to be a conviction within the meaning of this chapter.

27           AThe board may order a license suspended or revoked, or may deny a license, or may  
28 impose probationary conditions upon a license, when the time for appeal has elapsed, or the

1 judgment of conviction has been affirmed on appeal, or when an order granting probation is made  
2 suspending the imposition of sentence irrespective of a subsequent order under the provisions of  
3 Section 1203.4 of the Penal Code allowing the person to withdraw his or her pleas of guilty and to  
4 enter a plea of not guilty, or setting aside the verdict of guilty, or dismissing the accusation,  
5 complaint, information, or indictment. @

6 9. Section 490 of the Code states:

7 "(a) In addition to any other action that a board is permitted to take against a licensee, a  
8 board may suspend or revoke a license on the ground that the licensee has been convicted of a  
9 crime, if the crime is substantially related to the qualifications, functions, or duties of the business  
10 or profession for which the license was issued.

11 "(b) Notwithstanding any other provision of law, a board may exercise any authority to  
12 discipline a licensee for conviction of a crime that is independent of the authority granted under  
13 subdivision (a) only if the crime is substantially related to the qualifications, functions, or duties  
14 of the business or profession for which the licensee's license was issued.

15 "(c) A conviction within the meaning of this section means a plea or verdict of guilty or a  
16 conviction following a plea of nolo contendere. Any action that a board is permitted to take  
17 following the establishment of a conviction may be taken when the time for appeal has elapsed, or  
18 the judgment of conviction has been affirmed on appeal, or when an order granting probation is  
19 made suspending the imposition of sentence, irrespective of a subsequent order under the  
20 provisions of Section 1203.4 of the Penal Code.

21 "(d) The Legislature hereby finds and declares that the application of this section has been  
22 made unclear by the holding in *Petropoulos v. Department of Real Estate* (2006) 142 Cal.App.4th  
23 554, and that the holding in that case has placed a significant number of statutes and regulations  
24 in question, resulting in potential harm to the consumers of California from licensees who have  
25 been convicted of crimes. Therefore, the Legislature finds and declares that this section  
26 establishes an independent basis for a board to impose discipline upon a licensee, and that the  
27 amendments to this section made by Senate Bill 797 of the 2007 -08 Regular Session do not  
28 constitute a change to, but rather are declaratory of, existing law."

1           13. On or about October 16, 2008, in the case entitled *People of the State of California*  
2 *vs. Tracy Stevenson*, Superior Court of California, County of Los Angeles, Case No. GA074829,  
3 a complaint was filed against Respondent. The complaint charged three counts: Count one  
4 Welfare and Institutions Code (W&I Code ) section 14107, subdivision (b)(1), (Presenting False

6 Defraud Medi-Cal); count three, Penal Code (PC) section 487 (Grand Theft); all felonies. This  
7 complaint will hereinafter be referred to as “the complaint.”

8           14. Specifically, Count Three of the complaint alleged, among other things:

9           “On or between January 1, 2001, to February 25, 2005, inclusive, in the County of Los  
10 Angeles, State of California, defendant YANG HONG CUI aka TRACY STEVENSON,
