

APPLICATION FOR ACUPUNCTURE LICENSE

Please note: Processing for an initial application for licensure takes about 60 to 90 days from the date the application is received in our office. Fingerprint background checks must be completed and cleared before a license can be issued. Failure to submit a complete application for licensure, after passing CALE and within three years of notification of eligibility for licensure, will be deemed an abandonment of the application. An application submitted after abandonment of a former application for licensure shall be treated as a new application and the applicant must re-pass CALE to become eligible for licensure. (16 CCR § 1399.417(c).) A valid U.S. Social Security Number (SSN) or Individual Taxpayer Identification Number (ITIN) is required for licensure.
