## Survey - California Acupuncture Board Curriculum Requirements Stakeholder Meeting

On May 20, 2022, from 9:30 am - 4:30 pm (or until no more comments are provided), the Acupuncture Board (Board) will be hosting a [WebEx townhall meeting](#) to receive comments on what modifications to California's approved acupuncture training curriculum should be carried out to ensure public safety, entry level competence, and the rationale for these changes.

All Board stakeholders are invited to join in and share at this meeting so the Board can receive a well-rounded perspective.

In preparation for this meeting, and especially for those stakeholders that will not be submitting a written proposal, or cannot attend the stakeholder meeting, the Board has prepared the [CA Acupuncture Curriculum Survey](#) to gauge how the current curriculum requirements prepare acupuncturists for entry level practice.

Written proposals for changes to California's approved acupuncture training curriculum can be sent to [AcuTraining@dca.ca.gov](mailto:AcuTraining@dca.ca.gov).

Please go to <https://www.surveymonkey.com/r/9DDRNBJ> to respond to the Survey.

The Survey will close on May 31st.
