- (a) Registration. A sponsoring entity that wishes to provide, or arrange for the provision of, health care services at a sponsored event under section 901 of the code shall register with the board not later than 90 calendar days prior to the date on which the sponsored event is scheduled to begin. A sponsoring entity shall register with the board by submitting to the board a completed Form 901-A (01/2011), which is hereby incorporated by reference.

not been corrected at least 30 days prior to the commencement of the sponsored event.

- (c) Recordkeeping Requirements. The sponsoring entity shall maintain these records for a period of at least five years after the date on which a sponsored event ended. The records may be maintained in either paper or electronic form. The sponsoring entity shall notify the board at the time of registration as to the form in which it will maintain the records. In addition, the sponsoring entity shall keep a copy of all records required by section 901(g) of the code at the physical location of the sponsored event until that event has ended. - (i) Has not been charged with an offense for any act substantially related to the practice for which the applicant is licensed by any public agency;

(c) Consequences of Termination. An out-of-state practitioner shall immediately cease his or her participation in a sponsored event upon receipt of the written notice of termination.

Termination of authority to participate in a sponsored event shall be deemed a disciplinary measure reportable to the national practitioner data banks. In addition, the board shall provide a copy of the written notice of termination to the licensing authority of each jurisdiction in which the out-of-state practitioner is licensed.

- (d) Appeal of Termination. An out-of-state practitioner may appeal the board's decision to terminate an authorization in the manner provided by section 901(j)(2) of the code. The request for an appeal shall be considered a request for an informal hearing under the Administrative Procedure Act.
- (e) Informal Conference Option. In addition to requesting a hearing, the out-of-state practitioner may request an informal conference with the executive officer regarding the reasons for the termination of authorization to participate. The executive officer shall, within 30 days from receipt of the request, hold an informal conference with the out-of-state practitioner. At the conclusion of the informal conference, the executive officer may affirm or dismiss the termination of authorization to participate. The executive officer shall state in writing the reasons for his or her action and mail a copy of his or her findings and decision to the out-of-state practitioner within ten days from the date of the informal conference. The out-of-state practitioner does not waive his or her request for a hearing to contest a termination of authorization by requesting an informal conference. If the termination is dismissed after the informal conference, the request for a hearing shall be deemed to be withdrawn.
