Application Guidelines for Continuing Education Providers (CEPs):

The following points will assist CEPs in the area of CE Provider approval, renewal, maintenance and the CE Course Application process.

1) CE Provider Requirements:

California Code of Regulations (CCR) § 1399.480 - 1399.489.1 govern the practice of CE providers and CE Courses and can be found on the Board’s website at:

http://www.acupuncture.ca.gov/pubs_forms/laws_regs/art8.shtml#1399480

All providers are required to abide by these regulations. Failure to do so can result in citations or loss of course and/or provider approval.

2) Communicating with the Board/Submitting Provider/Course Applications

a) Identification
Always include your organization’s Continuing Education Provider (CEP) Number when communicating with the Board. If communicating via email, please place the CEP # in the subject line.

b) CEP Applications:
- The application is found here:
  http://www.acupuncture.ca.gov/pubs_forms/provider_app.pdf
- New/Renewal:
  These are required to be mailed in with a check or money order made out to the CA Acupuncture Board.
- Changes in CEP Address, Provider Name, Owner or Coordinator:
  - Check the corresponding box - upper right hand corner of the app.
  - No fee assessed for these changes.
  - Changes to address include changes to web, email and physical
- CE Provider Applications without owner’s signature will be denied as incomplete.

c) CE Course Applications:
- The application is found here:
  http://www.acupuncture.ca.gov/pubs_forms/cecourse_app.pdf
- Use only one submission pathway; email, fax or postal mail (e.g. please do not send applications via email and then send a copy of the same application by postal mail or fax; one submission method only please)
• The best way to submit courses for review is by emailing the course application as a pdf attachment to the Board's CE email address: AcuContinuingED@dca.ca.gov. Submitting via this email allows for the email submission ‘date sent’ to be accepted as the timestamp satisfying the Board’s regulatory timelines.
• Course applications without the owner or CE Coordinator signature will be denied as incomplete.

3) **CE Course Application Submission Deadlines**: [CCR § 1399.484](#)

   a) Applications for new CE course approval must be postmarked to the Board 45 days before the course is to be offered.
