By signing the stipulation, Respondent understands and agrees that he may not withdraw his agreement or seek to rescind the stipulation prior to the time the Board considers and acts upon it. If the Board fails to adopt this stipulation as its Decision and Order, the Stipulated Settlement and Disciplinary Order shall be of no force or effect, except for this paragraph, it shall be inadmissible in any legal action between the parties, and the Board shall not be disqualified from further action by having considered this matter.

15. In consideration of the foregoing admissions and stipulations, the parties agree that the Board may, without further notice or formal proceeding, issue and enter the following Disciplinary Order:

DISCIPLINARY ORDER

IT IS HEREBY ORDERED that Acupuncturist License No. AC 11109 issued to
Respondent Matthew Scott Schwartz, L.Ac. is revoked. However, the revocation is stayed and Respondent is placed on probation for two years on the following terms and conditions.

1. **OBEY ALL LAWS** Respondent shall obey all federal, state and local laws, remain in full compliance with any court ordered criminal probation terms, payments, and/or other orders, and all regulations governing the practice of acupuncture in California. A full and detailed account of any and all violations of law shall be reported by the Respondent to the Board or its designee in writing within seventy-two (72) hours of occurrence. This condition applies to any jurisdiction with authority over the Respondent, whether inside or outside California.

2. **QUARTERLY REPORTS** Respondent shall submit quarterly reports under penalty of perjury on forms provided by the Board or its designee, stating whether there has been compliance with all the conditions of probation. If the final probation report is not submitted as directed, probation shall be extended automatically until such time as the final report is submitted and accepted by the Board or its designee.

3. **COURSEWORK** Respondent, at his/her own expense, shall enroll and successfully complete not less than a four [4] hour course in Record Keeping no later than the end of the first year of probation. The coursework shall be in addition to that required for license renewal. The Board or its designee shall notify Respondent of the course content and number of hours required. Within thirty (30) days of the Board's written notification of assigned coursework, Respondent shall submit a written plan to comply with this requirement to the Board or its designee. The Board or its designee shall approve such a plan prior to enrollment in any course of study. Upon successful completion of the coursework, Respondent shall submit original completion certificates to the Board within thirty (30) days of course completion.

4. **MONITORING PROGRAM** Respondent shall comply with the Board's probation monitoring program and shall, upon reasonable notice, report to the assigned probation monitor. Respondent shall contact the assigned probation monitor regarding any questions specific to the probation order. Unless the Respondent obtains prior approval from his or her assigned Board probation monitor to allow for contact, Respondent shall not have any contact with (1) victims, witnesses, and/or complainants associated with the case; (2) Board members and/or members of
its staff; (3) persons serving the Board as subject matter experts; and/or (4) persons who
previously rendered expert opinions on behalf of the Board in Respondent’s disciplinary
proceeding.

5. **INTERVIEW WITH THE BOARD OR ITS DESIGNEE**  Respondent shall appear in
person for interviews with the Board or its designee upon request at various intervals and with or
without prior notice throughout the term of probation.

6. **CHANGES OF EMPLOYMENT**  Respondent shall notify the Board in writing,
through the assigned probation monitor of any and all changes of employment, location and
employment address within thirty (30) days of such change.

7. **TOLLING of PROBATION**  If Respondent leaves California to reside or practice
outside this state, or for any reason, unless by Board order, should Respondent stop practicing
acupuncture in California, Respondent must notify the Board in writing of the dates of departure
and return or the dates of non-practice within 10 days of departure or return. Non-practice is
defined as any period of time exceeding 30 days in which Respondent is not engaging in the
practice of acupuncture or any time the license is inactive or in cancelled status. Periods of
temporary residency or practice outside the state or of non-practice within the state shall not apply
to reduction of the probationary period. It shall be a violation of probation for respondent's
probation to remain tolled pursuant to the provisions of this condition for a period exceeding a
total, consecutive period of two years. For purposes of this condition, a Board ordered
suspension or non-practice in compliance with any other condition of probation shall not be
tolled. Any order for payment of cost recovery shall remain in effect whether or not probation is
tolled. All provisions of probation shall recommence on the effective date of resumption of
practice in California, and the term of probation shall be extended for the period of time
respondent was out of state or in state and not practicing.

8. **RESTRICTION ON EMPLOYING and SUPERVISION OF TRAINEES**
Respondent shall not employ or supervise or apply to employ or supervise acupuncture trainees
during the course of this probation. Respondent shall terminate any such supervisory
relationship in existence on the effective date of this probation. Respondent shall not teach at any
Board approved training program or continuing education courses during the course of this
probation.

9. **COST RECOVERY** Respondent shall pay to the Board its costs of investigation and
enforcement in the amount of $3,000.00. Respondent shall be permitted to pay these costs in a
payment plan approved by the Board or its designee, with payments to be completed no later than
three months prior to the end of the probation term. Cost recovery will not be tolled. At
Respondent's request, if Respondent has not complied with this condition during the probationary
term, and Respondent has presented sufficient documentation of his good faith efforts to comply
with this condition, and if no other conditions have been violated, the Board or its designee, in its
discretion, may grant an extension of Respondent's probation period up to two (2) years without
further hearing in order to comply with this condition. During the two (2) years extension, all
original conditions of probation will apply. The filing of bankruptcy by Respondent shall not
relieve Respondent of his/her responsibility to reimburse the Board for its investigation and
prosecution costs.

10. **VIOLATION OF PROBATION** If Respondent violates probation in any respect, the
Board may, after giving Respondent notice and the opportunity to be heard, revoke probation and
carry out the disciplinary order that was stayed. If an accusation or petition to revoke probation is
filed against Respondent during probation, the Board shall have continuing jurisdiction until the
matter is final, and the period of probation shall be extended until the matter is final. No petition
for modification or termination of probation shall be considered while there is an accusation or
petition to revoke probation pending against Respondent. If Respondent has not complied with
any term or condition of probation, the Board shall have continuing jurisdiction over Respondent,
and probation shall automatically be extended until all terms and conditions have been satisfied or
the Board has taken other action as deemed appropriate to treat the failure to comply as a
violation of probation, to terminate probation, and to impose the penalty which was stayed.

11. **LICENSE SURRENDER** Following the effective date of this Decision, if
Respondent ceases practicing due to retirement, health reasons or is otherwise unable to satisfy
the terms and conditions of probation, Respondent may request the voluntary surrender of his or
her license or registration. The Board or its designee reserves the right to evaluate Respondent's request and to exercise its discretion whether or not to grant the request, or to take any other action deemed appropriate and reasonable under the circumstances. Upon formal acceptance of the surrender, Respondent shall, within fifteen (15) days, deliver Respondent's pocket and/or wall certificate to the Board or its designee and Respondent shall no longer practice acupuncture. Upon formal acceptance of the tendered license, Respondent will no longer be subject to the terms and conditions of probation. Voluntary surrender of Respondent's license shall be considered disciplinary action and shall become a part of Respondent's license history with the Board. If Respondent reapplications for an acupuncture license, the application shall be treated as a petition for reinstatement of a revoked or surrendered license.

12. **SEVERABILITY CLAUSE** Each condition of probation is a separate and distinct condition. If any condition of this Decision and Order, or any application thereof, is declared unenforceable in whole, in part, or to any extent, the remainder of this Decision and Order, and all other applications thereof, shall not be affected. Each condition of this Decision and Order shall separately be valid and enforceable to the fullest extent permitted by law.

13. **NOTIFICATION OF NAME, ADDRESS, TELEPHONE NUMBER OR E-MAIL ADDRESS CHANGES** Respondent shall notify the assigned probation monitor, in writing within ten (10) days, of any and all name, address, telephone and/or e-mail address changes.

14. **DISCLOSURE of PROBATION STATUS** Within ten (10) days of the effective date of this Decision, Respondent shall submit a proposed written disclosure to provide to all patients or a patient’s guardian or health care surrogate to the Board for prior approval. The written disclosure shall include the following:

1. Respondent’s probation status;
2. Length of probation;
3. Probation end date;
4. All practice restrictions imposed by the probation order;
5. The Board’s telephone number;
6. Explanation of how the patient can find further information on Respondent’s probation
by running a license verification on the Board’s web site. Once the Board approves Respondent’s
written disclosure, Respondent shall obtain from the patient, or the patient’s guardian or health
care surrogate, a separate, signed copy of the written disclosure. Before or at a patient’s first visit
following the effective date of the Board’s Decision, Respondent shall provide the written
disclosure to all patients or a patient’s guardian or health care surrogate except when any of the
following applies:

(1) The patient is unconscious or otherwise unable to comprehend the disclosure and
sign the copy of the disclosure pursuant to subdivision (b) and a guardian or health care surrogate
is unavailable to comprehend the disclosure and sign the copy.

(2) The visit occurs in an emergency room or an urgent care facility or the visit is
unscheduled, including consultations in inpatient facilities.

(3) The licensee who will be treating the patient during the visit is not known to the
patient until immediately prior to the start of the visit.

(4) The licensee does not have a direct treatment relationship with the patient.

Respondent shall make all records available for immediate inspection and copying on the
premises by the Board or its designee at all times during business hours and shall retain the
records for the entire term of probation.

15. MAINTENANCE OF CLEAR AND ACTIVE LICENSE  Respondent shall, at all
times, maintain a clear and active current license with the Board, including any period of
suspension or tolled probation. If an initial license must be issued (Statement of Issues) or a
license is reinstated, probation shall not commence until a license is issued by the Board.
Respondent must complete the licensure process within two (2) years from the effective date of
the Board’s Decision. Should Respondent's license expire, by operation of law or otherwise,
upon renewal or reinstatement, Respondent's license shall be subject to any and all conditions of
this probation not previously satisfied.

16. COMPLETION OF PROBATION  Upon successful completion of probation,
respondent's license will be fully restored.
