DISCIPLINARY ORDER

IT IS HEREBY ORDERED that Acupuncture License No. AC 13341 issued to Respondent Kyoung Tea Kim, L.Ac. is revoked. However, the revocation is stayed and Respondent is placed on probation for four (4) years on the following terms and conditions.

1. EXAMINATION Respondent shall take and pass the licensure exam(s) currently required of new applicants for the license possessed by Respondent. Respondent shall not practice acupuncture until Respondent has taken and passed these examinations. Respondent
shall pay the established examination fees. If Respondent has not passed the examination within 18 months from the effective date of this Decision, Respondent shall be in violation of probation.

2. **OBEY ALL LAWS** Respondent shall obey all federal, state and local laws, remain in full compliance with any court ordered criminal probation terms, payments, and/or other orders, and all regulations governing the practice of acupuncture in California. A full and detailed account of any and all violations of law shall be reported by the Respondent to the Board or its designee in writing within 72 hours of occurrence. This condition applies to any jurisdiction with authority over the Respondent, whether inside or outside California.

3. **PRACTICE MONITOR** Within 90 days of the effective date of this Decision, Respondent shall submit to the Board or its designee for prior approval as a practice (i.e., practice, billing, or practice and billing) monitor(s), the name and qualifications of one or more California licensed acupuncturists whose license is clear and active, in good standing and not disciplined by the Board. Prior to the Board’s approval, Respondent shall provide a copy of the Board’s Accusation and Decision to the monitor(s). A monitor shall have no prior or current business or personal relationship with Respondent, or other relationship that could reasonably be expected to compromise the ability of the monitor to render fair and unbiased reports to the Board or its designee and must agree to serve as Respondent’s monitor. Respondent shall pay all monitoring costs. The Board in its sole discretion shall have the option of rejecting the proposed monitor(s) for any reason and Respondent shall work to provide an alternative monitor(s) as set forth above.

Upon approval of the monitor(s), the Board or its designee shall provide a monitoring plan. Within 15 days of receipt of the monitoring plan, the monitor shall submit a signed statement that the monitor has read the Decision(s) and Accusation(s), fully understands the role of a monitor, and agrees or disagrees with the proposed monitoring plan. If the monitor disagrees with the proposed monitoring plan, the monitor shall submit a revised monitoring plan with the signed statement.

Within 120 days of the effective date of this Decision, and continuing through probation, Respondent shall make all records available for immediate inspection and copying on the
premises by the monitor at all times during business hours and shall retain the records for the entire term of probation.

Respondent shall notify all current and potential patients in writing of any term or condition of probation which will affect their treatment or the confidentiality of their records (such as this condition which requires a practice monitor). Such written notification shall be signed by each patient prior to continuing or commencing treatment and the written notification shall be kept as part of the patient’s healthcare record.

The monitor(s) shall submit a quarterly written report to the Board or its designee which includes an evaluation of Respondent’s performance, indicating whether Respondent’s practices are within the standards of practice of acupuncture or billing, or both, and whether Respondent is practicing acupuncture safely, billing appropriately or both. It shall be the sole responsibility of Respondent to ensure that the monitor submits written reports to the Board or its designee quarterly.

If the monitor resigns or is no longer available, Respondent shall, within five days of such resignation or unavailability notify the Board. Within 30 days, Respondent shall submit to the Board or its designee, for prior approval, the name and qualifications of a replacement monitor. Upon approval, the monitor shall assume immediate responsibility. If Respondent fails to obtain approval of a replacement monitor within 60 days of the resignation or unavailability of the monitor, after notification by the Board, Respondent shall be suspended from the practice of acupuncture until a replacement monitor is approved and prepared to assume immediate monitoring responsibility.

Failure to maintain all records, or to make all appropriate records available for immediate inspection and copying on the premises, or to comply with this condition as outlined above, is a violation of probation.

4. NO SOLO PRACTICE  Respondent is prohibited from engaging in the solo practice of Acupuncture. Prohibited solo practice includes, but is not limited to, a practice where 1) Respondent merely shares office space with another licensed practitioner but is not affiliated for the purpose of providing patient care, or 2) Respondent is the sole licensed practitioner at
that location.

If Respondent fails to establish a practice with another licensed practitioner or secure employment in an appropriate practice setting within 60 days of the effective date of this Decision, Respondent shall receive notification from the Board or its designee to cease the practice of acupuncture within three (3) days after being so notified. The Respondent shall not resume practice until an appropriate practice setting is established.

If, during the course of the probation, the Respondent’s practice setting changes and the Respondent is no longer practice in a setting compliance with this Decision, the Respondent shall notify the Board or its designee within five (5) days of the practice setting change. If Respondent fails to establish a practice with another licensed practitioner or secure employment in an appropriate practice setting within 60 days of the practice setting change, Respondent shall receive a notification from the Board or its designee to cease the practice of acupuncture within three (3) calendar days after being so notified. The Respondent shall not resume practice until an appropriate practice setting is established.

5. QUARTERLY REPORTS Respondent shall submit quarterly reports under penalty of perjury on forms provided by the Board or its designee, stating whether there has been compliance with all the conditions of probation. If the final probation report is not submitted as directed, probation shall be extended automatically until such time as the final report is submitted and accepted by the Board or its designee.

6. MONITORING PROGRAM Respondent shall comply with the Board’s probation monitoring program and shall, upon reasonable notice, report to the assigned probation monitor. Respondent shall contact the assigned probation monitor regarding any questions specific to the probation order. Respondent shall not have any contact with (1) victims, witnesses, and/or complainants associated with the case; (2) Board members and/or members of its staff; (3) persons serving the Board as subject matter experts; and/or (4) persons who previously rendered expert opinions on behalf of the Board in Respondent’s disciplinary proceeding unless the Respondent obtains prior approval from his assigned Board probation monitor to allow for contact.
7. INTERVIEW WITH THE BOARD OR ITS DESIGNEE  Respondent shall appear in person for interviews with the Board or its designee upon request at various intervals and with or without prior notice throughout the term of probation.

8. CHANGES OF EMPLOYMENT  Respondent shall notify the Board in writing, through the assigned probation monitor of any and all changes of employment, location and employment address within 30 days of such change.

9. EMPLOYMENT REQUIREMENTS During probation, Respondent shall work in his capacity as an acupuncturist in the State of California. This practice shall consist of no less than 40 hours per month.

10. COURSEWORK  Respondent, at his own expense, shall enroll and successfully complete not less than 20 hours of coursework in the area: Documentation/Record Keeping and complete the Clean Needle Technique, 7th Edition, course offered by the Council of Colleges of Acupuncture and Oriental Medicine. Classroom attendance must be specifically required. Coursework must be completed no later than the end of the second year of probation. The coursework shall be in addition to that required for license renewal. Within 30 days of the effective date of the Decision, Respondent shall submit a written plan to comply with this requirement to the Board or its designee. The Board or its designee shall approve such plan prior to enrollment in any course of study.

Upon successful completion of the coursework, Respondent shall submit original completion certificates to the Board within 30 days of course completion. All costs of the coursework shall be borne by Respondent.

11. TOLLING FOR OUT-OF-STATE PRACTICE OR RESIDENCE  In the event Respondent should leave California for a period exceeding 30 days, Respondent must notify the Board or its designee immediately in writing of the dates of departure and return. Periods exceeding 30 days spent outside California will not apply to the reduction of this probationary period.

For purposes of this condition, a Board ordered suspension or non-practice in compliance with any other condition of probation shall not be tolled. Any order for payment of cost recovery
shall remain in effect whether or not probation is tolled.

12. RESTRICTION ON EMPLOYING AND SUPERVISION OF TRAINEES

Respondent shall not employ or supervise or apply to employ or supervise acupuncture trainees during this probation. Respondent shall terminate any such supervisorial relationship in existence on the effective date of this probation. Respondent shall not teach at any Board approved training program or continuing education courses during the course of this probation.

13. COST RECOVERY Respondent shall pay to the Board its costs of investigation and enforcement in the amount of $6,250.00. Respondent shall be permitted to pay these costs in a payment plan approved by the Board or its designee, with payments to be completed no later than three months prior to the end of the probation term. Cost recovery will not be tolled.

At Respondent’s request, if Respondent has not complied with this condition during the probationary term, and Respondent has presented sufficient documentation of his good faith efforts to comply with this condition, and if no other conditions have been violated, the Board or its designee, in its discretion, may grant an extension of Respondent’s probation period up to two years without further hearing in order to comply with this condition. During the two years extension, all original conditions of probation will apply. The filing of bankruptcy by Respondent shall not relieve Respondent of his/her responsibility to reimburse the Board for its investigation and prosecution costs.

14. VIOLATION OF PROBATION If Respondent violates probation in any respect, the Board may, after giving Respondent notice and the opportunity to be heard, revoke probation and carry out the disciplinary order that was stayed. If an accusation or petition to revoke probation is filed against Respondent during probation, the Board shall have continuing jurisdiction until the matter is final, and the period of probation shall be extended until the matter is final. No petition for modification or termination of probation shall be considered while there is an accusation or petition to revoke probation pending against Respondent. If Respondent has not complied with any term or condition of probation, the Board shall have continuing jurisdiction over Respondent, and probation shall automatically be extended until all terms and conditions have been satisfied or the Board has taken other action as deemed appropriate to treat
the failure to comply as a violation of probation, to terminate probation, and to impose the penalty which was stayed.

15. **PROBATION MONITORING COSTS** 
Respondent shall pay the costs associated with probation monitoring each and every year of probation, as designated by the Board or its designee, which may be adjusted on an annual basis. Such costs shall be payable to the Board on a schedule as directed by the Board or its designee. Failure to pay such costs by the deadline(s) as directed shall be considered a violation of probation.

16. **LICENSE SURRENDER**
Following the effective date of this Decision, if Respondent ceases practicing due to retirement, health reasons or is otherwise unable to satisfy the terms and conditions of probation, Respondent may request the voluntary surrender of his or her license or registration. The Board or its designee reserves the right to evaluate Respondent's request and to exercise its discretion whether or not to grant the request, or to take any other action deemed appropriate and reasonable under the circumstances. Upon formal acceptance of the surrender, Respondent shall, within 15 days, deliver Respondent's pocket and/or wall certificate to the Board or its designee and Respondent shall no longer practice acupuncture.

Voluntary surrender of Respondent’s license shall be considered disciplinary action and shall become a part of Respondent’s license history with the Board. If Respondent reapply for an acupuncture license, the application shall be treated as a petition for reinstatement of a revoked or surrendered license.

17. **SEVERABILITY CLAUSE**
Each condition of probation is a separate and distinct condition. If any condition of this Decision and Order, or any application thereof, is declared unenforceable in whole, in part, or to any extent, the remainder of this Decision and Order, and all other applications thereof, shall not be affected. Each condition of this Decision and Order shall separately be valid and enforceable to the fullest extent permitted by law.

18. **NOTIFICATION OF NAME, ADDRESS, TELEPHONE NUMBER OR E-MAIL ADDRESS CHANGES**
Respondent shall notify the assigned probation monitor, in writing...
within 10 days, of any and all name, address, telephone and/or e-mail address changes.

19. MAINTENANCE OF CLEAR AND ACTIVE LICENSE  Respondent shall, at all times, maintain a clear and active current license with the Board, including any period of suspension or tolled probation. If an initial license must be issued (Statement of Issues) or a license is reinstated, probation shall not commence until a license is issued by the Board. Respondent must complete the licensure process within two years from the effective date of the Board’s Decision. Should Respondent's license expire, by operation of law or otherwise, upon renewal or reinstatement, Respondent's license shall be subject to any and all conditions of this probation not previously satisfied.

20. Completion of Probation  Upon successful completion of probation, Respondent's license will be fully restored.
