1554 Navarro Avenue
Pasadena, California 91103
Acupuncturist License No. AC 16123,
Respondent.

PARTIES

1. Benjamin Bodea (“Complainant”) brings this Accusation solely in his official
capacity as the Executive Officer of the California Acupuncture Board (“Board”).

2. On May 30, 2014, the Board issued Acupuncturist License Number AC 16123 to
Sung Hean Lee, L.Ac. (“Respondent”). That license was in full force and effect at all times
relevant to the charges brought herein and will expire on June 30, 2021, unless renewed.

JURISDICTION

3. This Accusation is brought before the Board under the authority of the following
provisions of the California Business and Professions Code (“Code”) unless otherwise indicated.

//
//
4. Section 4937 of the Code states:

   An acupuncturist’s license authorizes the holder thereof:

   (a) To engage in the practice of acupuncture.

   (b) To perform or prescribe the use of Asian massage, acupressure, breathing techniques, exercise, heat, cold, magnets, nutrition, diet, herbs, plant, animal, and mineral products, and dietary supplements to promote, maintain, and restore health. Nothing in this section prohibits any person who does not possess an acupuncturist's license or another license as a healing arts practitioner from performing, or prescribing the use of any modality listed in this subdivision.

   (c) For purposes of this section, a “magnet” means a mineral or metal that produces a magnetic field without the application of an electric current.

   (d) For purposes of this section, “plant, animal, and mineral products” means naturally occurring substances of plant, animal, or mineral origin, except that it does not include synthetic compounds, controlled substances or dangerous drugs as defined in Sections 4021 and 4022, or a controlled substance listed in Chapter 2 (commencing with Section 11053) of Division 10 of the Health and Safety Code.

   (e) For purposes of this section, “dietary supplement” has the same meaning as defined in subsection (ff) of Section 321 of Title 21 of the United States Code, except that dietary supplement does not include controlled substances or dangerous drugs as defined in Section 4021 or 4022, or a controlled substance listed in Chapter 2 (commencing with Section 11053) of Division 10 of the Health and Safety Code.

5. Section 4955, subdivision (d), of the Code states:

   The board may deny, suspend, or revoke, or impose probationary conditions upon, the license of any acupuncturist who is guilty of unprofessional conduct.

   Unprofessional conduct shall include, but not be limited to, the following: . . .

   (d) Aiding or abetting in, or violating or conspiring in, directly or indirectly, the violation of the terms of this chapter or any regulation adopted by the board pursuant to this chapter.

6. Section 4955.1, subdivision (e), of the Code states:

   The board may deny, suspend, revoke, or impose probationary conditions upon the license of any acupuncturist if he or she is guilty of committing a fraudulent act including, but not be limited to, any of the following: . . .

   (e) Failing to maintain adequate and accurate records relating to the provision of services to their patients.

7. Section 4955.2 of the Code states:

   The board may deny, suspend, revoke, or impose probationary conditions upon the license of any acupuncturist if he or she is guilty of committing any one of the following:
(a) Gross negligence.
(b) Repeated negligent acts.
(c) Incompetence.

8. Section 4961 of the Code states:

(a) Every person who is now or hereafter licensed to practice acupuncture in this state shall register, on forms prescribed by the Acupuncture Board, the licensee’s place of practice, or, if the licensee has more than one place of practice, all of the places of practice. If the licensee has no place of practice, the licensee shall notify the board of that fact. A person licensed by the board shall register within 30 days after the date of his or her licensure.

(b) An acupuncturist licensee shall post his or her wall license in a conspicuous location in his or her place of practice at all times. If an acupuncturist has more than one place of practice, he or she shall obtain from the board a duplicate wall license for each additional location and post the duplicate wall license at each location.

(c) Any licensee that changes the location of his or her place of practice shall register each change within 30 days of making that change. In the event a licensee fails to notify the board of any change in the address of a place of practice within the time prescribed by this section, the board may deny renewal of licensure. An applicant for renewal of licensure shall specify in the application whether or not there has been a change in the location of the licensee’s place of practice and, if so, the date of that change. The board may accept that statement as evidence of the change of address.

9. Section 726 of the Code states:

(a) The commission of any act of sexual abuse, misconduct, or relations with a patient, client, or customer constitutes unprofessional conduct and grounds for disciplinary action for any person licensed under this or under any initiative act referred to in this division.

(b) This section shall not apply to consensual sexual contact between a licensee and his or her spouse or person in an equivalent domestic relationship when that licensee provides medical treatment, to his or her spouse or person in an equivalent domestic relationship.

REGULATORY PROVISIONS

10. California Code of Regulations, title 16, section 1399.453, states:

An acupuncturist shall keep complete and accurate records on each patient who is given acupuncture treatment, including progress made as a result of the acupuncture treatments.

COST RECOVERY

11. Section 125.3 of the Code provides, in pertinent part, that the Board may request the administrative law judge to direct a licentiate found to have committed a violation or violations of
the licensing act to pay a sum not to exceed the reasonable costs of the investigation and
enforcement of the case, with failure of the licentiate to comply subjecting the license to not being
renewed or reinstated. If a case settles, recovery of investigation and enforcement costs may be
included in a stipulated settlement.

12. Section 4959 of the Code states:

   (a) The board may request the administrative law judge, under his or her
   proposed decision in resolution of a disciplinary proceeding before the board, to
direct any licensee found guilty of unprofessional conduct to pay to the board a sum
not to exceed actual and reasonable costs of the investigation and prosecution of the
case.

   (b) The costs to be assessed shall be fixed by the administrative law judge and
shall not in any event be increased by the board. When the board does not adopt a
proposed decision and remands the case to an administrative law judge, the
administrative law judge shall not increase the amount of any costs assessed in the
proposed decision.

   (c) When the payment directed in the board’s order for payment of costs is not
made by the licensee, the board may enforce the order for payment in the superior
court in the county where the administrative hearing was held. This right of
enforcement shall be in addition to any other rights the board may have as to any
licensee directed to pay costs.

   (d) In any judicial action for the recovery of costs, proof of the board’s decision
shall be conclusive proof of the validity of the order of payment and the terms for
payment.

   (e) All costs recovered under this section shall be considered a reimbursement
for costs incurred and shall be deposited in the Acupuncture Fund.

As used in this chapter, unless the context otherwise requires: . . .

   (d) “Acupuncture” means the stimulation of a certain point or points on or near
the surface of the body by the insertion of needles to prevent or modify the perception

FACTUAL ALLEGATIONS

Sexual Misconduct in the Treatment of Patient N

14. In late 2018, the California Acupuncture Board began an investigation into
Respondent after receiving a complaint on November 5, 2018 that Respondent inappropriately
touched Patient N\(^1\) during a treatment on October 22, 2018. Subsequent investigation indicated that Respondent practiced at two Pasadena treatment facilities at or around the time of the incident: Raymond Spa at 54 South Raymond Avenue, Pasadena CA 91105 and Kang Eastern Medicine at 137 West California Boulevard, Pasadena, CA 91105. Despite legal requirements that Respondent notify the Board of any location of practice, as recently as December 31, 2019, the Board did not have either of these addresses on record as locations where Respondent practiced.

16. After the acupuncture treatment, Respondent applied oil to his hands and gave Patient N a full body massage. During the massage, Respondent touched her breasts, including her nipples, as well as her labia. Respondent massaged Patient N’s labia for about 20 seconds. Patient N responded by trying to cover herself with a towel and told Respondent “Please stop, please stop.” Respondent stopped massaging Patient N, apologized, and asked if she was okay. Respondent told her that it was hard to control himself and commented on her body being “so muscular.” Patient N stopped the massage, quickly dressed herself, and went to the cash register. Respondent followed her, asking “Will you come back and see me?”

17. Without medical necessity, Respondent massaged Patient N’s breasts and labia while she was nude. An informed consent from Patient N allowing for such procedures to take place was not present in her records. The performance of massage by a male provider of the nude breasts and/or genital areas of a female patient constitutes an extreme departure from the standard of care.

**Failure to Keep Adequate Records**

18. Throughout the course of its investigation, the California Acupuncture Board received a number of records, including an undated ledger of Patient N’s treatments by Respondent and other providers, including Patient N’s unsigned acupuncture progress notes from

(SUNG HEAN LEE, L.Ac.) ACCUSATION
Respondent for dates of service June 28, 2018 and October 22, 2018, and payment receipts for Patient N. These records indicate that progress notes were unsigned and undated. Lack of signatures and dates on acupuncture patient progress notes constitute a simple departure from the standard of care.

19. Respondent’s records lack progress notes documenting any massage treatments that occurred, despite the regular practice of providing massage. This corresponded to Respondent’s interview with an investigator for the Board, in which Respondent explained that he maintains records for acupuncture treatments, but not massage treatments. The complete lack of records of massage treatments represents a simple departure from the standard of care.

**FIRST CAUSE FOR DISCIPLINE**

(Gross Negligence)

20. Respondent is subject to disciplinary action under Code section 4955.2, subdivision (a), in that he committed gross negligence while providing acupuncture and massage treatment to Patient N. The circumstances are as follows:

FOURTH CAUSE FOR DISCIPLINE
(Failure to Keep Adequate and Accurate Records)

29. Respondent is subject to disciplinary action under Code section 4955.1, subdivision (e), and California Code of Regulations, title 16, section 1399.453 in that he failed to keep complete and accurate records regarding his provision of acupuncture and massage treatment to Patient N. The circumstances are as follows:

30. The facts and allegations in Paragraphs 14 through 19, above, are incorporated by reference and re-alleged as if full set forth herein.

31. Respondent’s acts and/or omissions as set forth in Paragraphs 14 through 19, inclusive above, whether proven individually, jointly, or in any combination thereof, constitute the failure to keep complete and accurate records regarding the provision of acupuncture and massage treatment under Code section 4955.1, subdivision (e), and California Code of Regulations, title 16, section 1399.453. Therefore, cause for discipline exists.

(Failure to Notify the Board of All Practice Locations)

32. Respondent is subject to disciplinary action under Code section 4961, subdivision (a), in that he failed to notify the Board of all practice locations. The circumstances are as follows:
33. The facts and allegations in Paragraphs 14 through 19, above, are incorporated by reference and re-alleged as if full set forth herein.
34. Respondent’s acts and/or omissions as set forth in Paragraphs 14 through 19, inclusive above, whether proven individually, jointly, or in any combination thereof, constitute the failure to notify the Board of all practice locations under Code section 4961, subdivision (a). Therefore, cause for discipline exists.

**SIXTH CAUSE FOR DISCIPLINE**

(Violation of Acupuncture Licensure Act or Regulation)

35. Respondent is subject to disciplinary action under Code section 4955, subdivision (d), in that he violated the terms of the Acupuncture Licensure Act, or a regulation adopted by the Board pursuant to the Acupuncture Licensure Act. The circumstances are as follows:
36. The facts and allegations in Paragraphs 14 through 19, above, are incorporated by reference and re-alleged as if full set forth herein.
37. Respondent’s acts and/or omissions as set forth in Paragraphs 14 through 19, inclusive above, whether proven individually, jointly, or in any combination thereof, constitute a violation of the terms of the Acupuncture Licensure Act, or a regulation adopted by the Board pursuant to the Acupuncture Licensure Act under Code section 4955, subdivision (d). Therefore, cause for discipline exists.

**SEVENTH CAUSE FOR DISCIPLINE**

(Unprofessional Conduct)

38. Respondent is subject to disciplinary action under Code section 4955, subdivision (d), in that he engaged in unprofessional conduct by breaching the rules or ethical code of conduct of the profession of acupuncture, or by engaging in conduct unbecoming to an acupuncturist in good standing in the profession and which demonstrates an unfitness to practice acupuncture. The
circumstances are as follows:

39. The facts and allegations in Paragraphs 14 through 37, above, are incorporated by reference and re-alleged as if full set forth herein.

40. Respondent’s acts and/or omissions as set forth in Paragraphs 14 through 37, inclusive above, whether proven individually, jointly, or in any combination thereof, constitute unprofessional conduct under Code section 4955, subdivision (d). Therefore, cause for discipline exists.
