Complainant alleges:

PARTIES

1. Benjamin Bodea (Complainant) brings this Petition to Revoke Probation solely in his official capacity as the Executive Officer of the Acupuncture Board (Board).

2. On or about September 7, 1994, the Board issued Acupuncture License Number AC 4900 to Kang Dae Choi, L.Ac. (Respondent). The Acupuncture License was in effect at all times relevant to the charges brought herein and will expire on April 30, 2020, unless renewed.

3. In a disciplinary action entitled "In the Matter of Accusation Against Kang Dae Choi,"
L.Ac.,” Case No. 1A-2014-206, the Board issued a decision, effective March 31, 2017, in which Respondent's Acupuncture License was revoked. However, the revocation was stayed and Respondent's Acupuncture License was placed on probation for a period of two (2) years with certain terms and conditions. A copy of that decision is attached as Exhibit A and is incorporated by reference.

**FIRST CAUSE TO REVOKE PROBATION**

( Failure to Submit a Practice Monitor Proposal)

8. At all times after the effective date of Respondent’s probation, Condition 1, Practice Monitor, stated:

“Within 90 days of the effective date of this decision, Respondent shall submit to the Board for its prior approval, the name and qualifications of one or more California licensed acupuncturists ... who has agreed to serve as a practice monitor. Once approved, the monitor shall submit to the Board a plan by which Respondent’s practice shall be monitored... It shall be Respondent’s responsibility to assure that the required reports are filed in a timely fashion... If the monitor quits or is otherwise no longer available, Respondent shall not practice until a new monitor has been approved by the Board...”

9. Respondent’s probation is subject to revocation because he failed to comply with Probation Condition 1, referenced above. The facts and circumstances regarding this violation are as follows:

B. In the March 20, 2017, letter the Board’s Probation Monitor Kristine Brothers (Brothers) stated “Pursuant to Condition 1 (Practice monitor), within 90 days you are required to submit for the Board’s prior approval, names and qualifications of one [sic] more California licensed acupuncturists whose license is clear and current and who has agreed to serve as a practice monitor. This is due no later than June 30, 2017.” Brothers also enclosed a Practice Monitor Quarterly Evaluation Form in the letter.

C. On July 31, 2017, Brothers sent Respondent a letter which stated that Respondent was in violation of Condition 1 because the Board had not been provided sufficient information regarding Respondent’s proposed monitor to evaluate his qualifications to act as a practice monitor prior to using him as a practice monitor. Brothers asked Respondent to submit his practice monitor proposal by August 15, 2017, and instructed Respondent to discontinue using Respondent’s proposed monitor as a practice monitor until the Board provided approval to utilize the proposed monitor as the practice monitor.

D. On September 15, 2017, Brothers emailed Respondent and stated Respondent needed to provide more information about the proposed monitor by September 29, 2017, in order to use him as his Board approved monitor.

E. On June 4, 2018, Brothers sent Respondent a letter which stated that Respondent was in violation of Condition 1, Practice Monitor, because the Board had not been provided enough information about his proposed monitor to evaluate his qualifications as a practice monitor. Brothers once more stated Respondent had failed to submit the proposed monitor’s name and qualifications for the Board’s review prior to using the proposed monitor as a practice monitor. Brothers once more stated that Respondent needed to provide more information about the proposed monitor by June 9, 2018, in order to use him as his monitor. Brothers instructed Respondent to discontinue use of the proposed monitor until the Board had an opportunity to evaluate his qualifications and provided approval to use the proposed monitor.

F. Respondent has never provided Brothers with the requisite information
regarding his proposed monitor to permit the Board to approve the proposed monitor, thereby violating Condition 1 of his Probationary Order.

SECOND CAUSE TO REVOKE PROBATION

(FAILURE TO COMPLETE COURSEWORK)

10. At all times after the effective date of Respondent’s probation, Condition 3, Coursework, stated:

"Respondent shall take and successfully complete not less than eight (8) hours of coursework which the Board's probation monitor approves in each of the following areas (s) for a total of thirty-two (32) hours: CNT (clean needle technique), herbal preparation, record keeping, and public health. All coursework shall be taken at the graduate level at a school approved by the Board. Classroom attendance must be specifically required. Course content shall be pertinent to the violation and all coursework must be completed within the two (2) year probationary period. Within 90 days of the effective date of this decision, Respondent shall submit a plan for the Board's prior approval for meeting the educational requirements."

11. Respondent's probation is subject to revocation because he failed to comply with Probation Condition 3, referenced above. The facts and circumstances regarding this violation are as follows:

B. In the March 20, 2017, letter Brothers stated Respondent "... was required to submit a plan for the Board’s prior approval for meeting the required 32 hours of coursework (eight hours in each area) in the areas of CNT (clean needle technique), herbal preparation, record keeping, and public health by June 301 2017. Due to there not being enough available coursework to fulfill the order’s 20 semester units or 30 quarter units requirement, the Board is, instead, requiring 20 hours." (emphasis added)

C. In her July 31, 2017, letter to Respondent Brothers stated that the Board was in receipt of his coursework plan for review and prior approval and that Respondent would receive the Board’s response to his proposed coursework plan in a separate letter.
D. On September 15, 2017, Brothers emailed Respondent and stated that Respondent should refer to the Board’s updated list of continuing education courses she had provided to Respondent in August to prepare his plan to comply with Condition 3. Brothers stated that Respondent needed to provide his coursework plan by September 29, 2017.

E. On July 5, 2017, Respondent provided the Board with a coursework plan to comply with Condition 3.

F. On August 18, 2017, Brothers sent Respondent a letter which stated that 12 hours of his required hours of coursework was approved by the Board. Brothers stated the other courses Respondent provided in his plan did not receive Board approval and that Respondent needed to submit a coursework plan for the remaining coursework hours to the Board by September 1, 2017, to comply with Condition 3.

G. On or about June 4, 2018, the Monitor sent Respondent a letter at his address of record regarding his violation of his terms and conditions of probation. Brothers stated Respondent was in violation of Condition 3 of his probation as a result of his failure to provide the Board with a coursework plan for remaining hours and courses which included the subject area, provider name or CEP number, course title, number of hours and dates information regarding his coursework plan to permit the Board to approve the balance of his coursework plan.

H. Respondent has never provided Brothers with a coursework plan beyond the 12 hours approved August 18, 2017, which included the subject area, provider name or CEP number, course title, number of hours and dates information regarding his coursework plan to permit the Board to approve the coursework plan thereby violating Condition 3 of his Probationary Order.

THIRD CAUSE TO REVOKE PROBATION

(Failure to Provide Quarterly Reports)

12. At all times after the effective date of Respondent’s probation, Condition 5, Quarterly Reports, stated:

"Respondent shall submit quarterly declarations under the penalty of perjury on forms
provided by the Board, stating whether there has been compliance with all the conditions of
probation."

13. Respondent’s probation is subject to revocation because he failed to comply with
Probation Condition 5, referenced above. The facts and circumstances regarding this violation
are as follows:

A. The Board sent Respondent a March 20, 2017, letter enclosing a copy of the
March 3, 2017, Decision and Order and noting the March 31, 2017, effective date.

B. The March 20, 2017, letter Brothers enclosed two blank reporting forms for
submitting Quarterly Written Probation Reports (Reports) and a list of dates on which the
completed Reports were due to be submitted to the Board, starting on July 5, 2017.

C. Respondent did not provide the Board with his quarterly report due no later
than October 5, 2017.

D. Respondent did not provide the Board with his quarterly report due no later
than April 5, 2017.

E. Respondent did not provide the Board with his quarterly report due no later
than January 5, 2018.

F. On or about June 4, 2018, the Board sent Respondent a letter at his address of
record regarding his violation of his terms and conditions of probation, which stated that
Respondent was in violation of Condition 5 of his probation as a result of his failure to
provide the Board with three quarterly reports.

FOURTH CAUSE TO REVOKE PROBATION

(Failure to Pay Costs)

14. At all times after the effective date of Respondent’s probation, Condition 9, Cost
Recovery, stated:

"Respondent shall pay to the Board its cost of investigation and enforcement in the
amount of $6,000.00."

15. Respondent’s probation is subject to revocation because he failed to comply with
Probation Condition 9, referenced above. The facts and circumstances regarding this violation
are as follows:

B. The March 20, 2017, letter Brothers informed Respondent that his total cost recovery must be paid in full six months prior to the 2019 end date of his probation. Respondent was instructed to submit a written payment plan request to the Board.

C. In July, 2017, Respondent paid the Board $500.00 towards his cost recovery.

D. Respondent failed to provide the Board with a written payment plan request.

E. Respondent failed to pay the Board any other amount towards his cost recovery.

F. On or about June 4, 2018, the Board sent Respondent a letter at his address of record regarding his violation of the terms and conditions of probation, which stated that Respondent was in violation of Condition 9 of his probation as a result of his failure to pay the Board any additional cost recovery other than his July, 2017, payment of $500.00.
WHEREFORE, Complainant requests that a hearing be held on the matters herein alleged, and that following the hearing, the Acupuncture Board issue a decision:

1. Revoking the probation that was granted by the Acupuncture Board in Case No. 1A-2014-206 and imposing the disciplinary order that was stayed thereby revoking Acupuncture License No. AC 4900 issued to Kang Dae Choi, L.Ac.;
2. Revoking or suspending Acupuncture License No. AC 4900, issued to Kang Dae Choi, L.Ac.;
3. Ordering Kang Dae Choi, L.Ac., to pay the Acupuncture Board the reasonable costs of the investigation and enforcement of this case pursuant to Business and Professions Code section 4959; and
4. Taking such other and further action as deemed necessary and proper.

DISCIPLINARY ORDER

IT IS HEREBY ORDERED that Acupuncturist License No. AC 4900 issued to Respondent Kang Dae Choi, is revoked. However, the revocation is stayed and Respondent is placed on probation for two (2) years on the following terms and conditions.

1. PRACTICE MONITOR. Within 90 days of the effective date of this decision, Respondent shall submit to the Board for its prior approval, the name and qualifications of one or more California licensed acupuncturists whose license is clear (no record of complaints) and current and who has agreed to serve as a practice monitor. Once approved, the monitor shall submit to the Board a plan by which Respondent’s practice shall be monitored. The monitor’s education and experience shall be in the same field of practice as that of the Respondent. The monitor shall submit written reports to the Board on a quarterly basis verifying that monitoring
has taken place and providing an evaluation of Respondent's performance. It shall be
Respondent's responsibility to assure that the required reports are filed in a timely fashion. The
Respondent shall provide access to the monitor of Respondent's fiscal and client records and shall
be permitted to make direct contact with patients. Further, the monitor shall have no prior
business, professional, personal or other relationship with Respondent. Respondent shall execute
a release authorizing the monitor to divulge any information that the Board may request.

Respondent shall notify all current and potential patients of any term or condition of
probation which will affect their treatment or the confidentiality of their records (such as this
condition which requires a practice monitor). Such notification shall be signed by each patient
prior to continuing or commencing treatment.

If the monitor quits or is otherwise no longer available, Respondent shall not practice until a
new monitor has been approved by the Board. All costs of monitoring shall be borne by the
Respondent. Respondent shall meet with the monitor once every other month for a total of twelve
(12) meetings during the probationary period. Monitoring shall consist of at least one hour of
individual face to face meetings.

2. REIMBURSEMENT FOR PROBATION SURVEILLANCE MONITORING
Respondent shall reimburse the Board for the hourly costs it incurs in monitoring the probation to
ensure compliance for the duration of the probation period.

3. COURSEWORK Respondent shall take and successfully complete not less than
eight (8) hours of coursework which the Board's probation monitor approves in each of the
following area (s) for a total of thirty-two (32) hours: CNT (clean needle technique), herbal
preparation, record keeping, and public health. All coursework shall be taken at the graduate
level at a school approved by the Board. Classroom attendance must be specifically required.
Course content shall be pertinent to the violation and all coursework must be completed within
the two (2) year probationary period.

Within 90 days of the effective date of this decision, Respondent shall submit a plan for the
Board's prior approval for meeting the educational requirements. All costs of the coursework
shall be borne by the Respondent.
4. **OBEY ALL LAWS**  Respondent shall obey all federal, state and local laws and all regulations governing the practice of acupuncture in California. A full and detailed account of any and all violations of law shall be reported by the Respondent to the Board in writing within seventy-two (72) hours of occurrence.

5. **QUARTERLY REPORTS**  Respondent shall submit quarterly declarations under penalty of perjury on forms provided by the Board, stating whether there has been compliance with all the conditions of probation.

6. **INTERVIEW WITH THE BOARD OR ITS DESIGNEE**  Respondent shall appear in person for interviews with the Board or its designee upon request at various intervals and with reasonable notice.

7. **CHANGES OF EMPLOYMENT**  Respondent shall notify the Board in writing, through the assigned probation surveillance compliance officer of any and all changes of employment, location and address within 30 days of such change.

8. **TOLLING FOR OUT-OF-STATE PRACTICE OR RESIDENCE**  In the event Respondent should leave California to reside or to practice outside the State, Respondent must notify the Board in writing of the dates of departure and return. Periods of residency or practice outside California will not apply to the reduction of this probationary period.

9. **COST RECOVERY**  Respondent shall pay to the Board its costs of investigation and enforcement in the amount of $6,000.00. This amount shall be paid in full, directly to the Board within six (6) months prior to the termination date of probation. Cost recovery will not be tolled. Respondent understands that failure to timely pay costs is a violation of probation, and submission of evidence demonstrating financial hardship does not preclude the Board from pursuing further disciplinary action. However, Respondent understands that providing evidence and supporting documentation of financial hardship may delay further disciplinary action. Consideration to financial hardship will not be given should Respondent violate this term and condition, unless an unexpected AND unavoidable hardship is established from the date of this order to the date payment(s) is due.

10. **VIOLATION OF PROBATION**  If Respondent violates probation in any respect, the
Board may, after giving Respondent notice and the opportunity to be heard, revoke probation and carry out the disciplinary order that was stated. If an accusation or petition to revoke probation is filed against Respondent during probation, the Board shall have continuing jurisdiction until the matter is final, and the period of probation shall be extended until the matter is final. No petition for modification or termination of probation shall be considered while there is an accusation or petition to revoke probation pending against Respondent.

11. COMPLETION OF PROBATION. Upon successful completion of probation, Respondent's license will be fully restored.
