DISCIPLINARY ORDER

IT IS HEREBY ORDERED that Acupuncturist License No. AC 7632 issued to Respondent Correy Po-Hong Lai, AC is revoked. However, the revocation is stayed and Respondent is placed on probation for three (3) years on the following terms and conditions.

1. PRACTICE MONITOR Within 90 days of the effective date of this decision, Respondent shall submit to the Board for its prior approval, the name and qualifications of one or more California licensed acupuncturists whose license is clear (no record of complaints) and current and who has agreed to serve as a practice monitor. Once approved, the monitor shall submit to the Board a plan by which Respondent's practice shall be monitored. The monitor shall submit written reports to the Board on a quarterly basis verifying that monitoring has taken place and providing an evaluation of Respondent's performance. It shall be Respondent's responsibility to assure that the required reports are filed in a timely fashion. The Respondent shall provide access to the monitor of Respondent's fiscal and client records and shall be permitted to make direct contact with patients. Further, the monitor shall have no prior business, professional, personal or other relationship with Respondent. Respondent shall execute a release authorizing the monitor to divulge any information that the Board may request.

   Respondent shall notify all current and potential patients of any term or condition of probation which will affect their treatment or the confidentiality of their records (such as this condition which requires a practice monitor). Such notification shall be signed by each patient prior to continuing or commencing treatment.

   If the monitor quits or is otherwise no longer available, Respondent shall not practice until a new monitor has been approved by the Board. All costs of monitoring shall be borne by the Respondent. Monitoring shall consist of at least one hour per month of individual face to face meetings, in which the monitor will review treatment records and occasionally observe treatments, at his or her discretion.

   Respondent's requirement to comply with this term will be terminated upon a showing by Respondent of eight consecutive quarterly reports, in which the practice monitor concludes that Respondent's practice of acupuncture lacks deficiencies.
2. **EXAMINATION(S)** Respondent shall take and pass the licensure exam(s) currently required of new applicants for the license possessed by Respondent. If Respondent has not passed the examination within eighteen (18) months from the effective date of this Decision, Respondent shall be considered to be in violation of probation.

   Respondent shall pay the established examination fee.

   If Respondent fails to successfully pass the examination within the designated time period, Respondent shall receive a notification from the Board or its designee to cease the practice of acupuncture within three (3) calendar days after being so notified. If Respondent did not successfully complete the examination within 18 months of the effective date of this Stipulation, Respondent shall not resume the practice of acupuncture until a final decision has been rendered on the accusation and/or a petition to revoke probation. If the aforementioned 18-month timeframe elapses while Respondent is awaiting determination as to whether she has passed the examination, the period shall be extended, pending her results.

   This term shall not be viewed as a restriction to practice acupuncture during the aforementioned 18-month timeframe.

3. **COURSEWORK** Respondent, at her own expense, shall enroll and successfully complete the following coursework substantially related to the violation(s) no later than the end of the first year of probation:

   - Complete the most current edition of the CCAOM Clean Needle Technique course (8 hours);
   - Safety and contraindications (8 hours); and
   - Record keeping (8 hours).

   The coursework shall be in addition to that required for license renewal. The Board or its designee shall notify Respondent of the course content and number of hours required. Within thirty (30) days of the Board’s written notification of assigned coursework, Respondent shall submit a written plan to comply with this requirement to the Board or its designee. The Board or its designee shall approve such a plan prior to enrollment in any course of study.
Upon successful completion of the coursework, Respondent shall submit original completion certificates to the Board within thirty (30) days of course completion.

4. **OBEY ALL LAWS** Respondent shall obey all federal, state and local laws, remain in full compliance with any court ordered criminal probation terms, payments, and/or other orders, and all regulations governing the practice of acupuncture in California. A full and detailed account of any and all violations of law shall be reported by the Respondent to the Board or its designee in writing within seventy-two (72) hours of occurrence. This condition applies to any jurisdiction with authority over the Respondent, whether inside or outside California.

5. **QUARTERLY REPORTS** Respondent shall submit quarterly declarations reports under penalty of perjury on forms provided by the Board or its designee, stating whether there has been compliance with all the conditions of probation. If the final probation report is not submitted as directed, probation shall be extended automatically until such time as the final report is submitted and accepted by the Board or its designee.

6. **INTERVIEW WITH THE BOARD OR ITS DESIGNEE** Respondent shall appear in person for interviews with the Board or its designee upon request at various intervals and with prior notice throughout the term of probation.

7. **CHANGES OF EMPLOYMENT** Respondent shall notify the AC Board in writing, through the assigned probation monitor of any and all changes of employment, location and employment address within thirty (30) days of such change.

8. **TOLLING OF PROBATION** If Respondent leaves California to reside or practice outside this state, or for any reason, unless by Board order, should Respondent stop practicing acupuncture in California, Respondent must notify the Board in writing of the dates of departure and return or the dates of non-practice within 10 days of departure or return. Non-practice is defined as any period of time exceeding 30 days in which Respondent is not engaging in the practice of acupuncture or any time the license is inactive or in cancelled status. Periods of temporary residency or practice outside the state or of non-practice within the state shall not apply.

to reduction of the probationary period. It shall be a violation of probation for respondent’s
probation to remain tolled pursuant to the provisions of this condition for a period exceeding a
total, consecutive period of two years.

For purposes of this condition, a Board ordered suspension or non-practice in compliance
with any other condition of probation shall not be tolled. Any order for payment of cost recovery
shall remain in effect whether or not probation is tolled.

All provisions of probation shall recommence on the effective date of resumption of
practice in California, and the term of probation shall be extended for the period of time
respondent was out of state or in state and not practicing.

9. COST RECOVERY Respondent shall pay to the Board its costs of investigation and
enforcement in the amount of $7,000. Respondent shall be permitted to pay these costs in a
payment plan approved by the Board or its designee, with payments to be completed no later than
three months prior to the end of the probation term. Cost recovery will not be tolled.

At Respondent’s request, if Respondent has not complied with this condition during the
probationary term, and Respondent has presented sufficient documentation of his good faith
efforts to comply with this condition, and if no other conditions have been violated, the Board or
its designee, in its discretion, may grant an extension of Respondent’s probation period up to two
(2) years without further hearing in order to comply with this condition. During the two (2) years
extension, all original conditions of probation will apply. The filing of bankruptcy by Respondent
shall not relieve Respondent of her responsibility to reimburse the Board for its investigation and
prosecution costs.

10. VIOLATION OF PROBATION If Respondent violates probation in any respect, the
Board may, after giving Respondent notice and the opportunity to be heard, revoke probation and
carry out the disciplinary order that was stayed. If an accusation or petition to revoke probation is
filed against Respondent during probation, the Board shall have continuing jurisdiction until the
matter is final, and the period of probation shall be extended until the matter is final. No petition
for modification or termination of probation shall be considered while there is an accusation or
petition to revoke probation pending against Respondent. If Respondent has not complied with
any term or condition of probation, the Board shall have continuing jurisdiction over Respondent, and probation shall automatically be extended until all terms and conditions have been satisfied or the Board has taken other action as deemed appropriate to treat the failure to comply as a violation of probation, to terminate probation, and to impose the penalty which was stayed.

11. **LICENSE SURRENDER** Following the effective date of this Decision, if Respondent ceases practicing due to retirement, health reasons or is otherwise unable to satisfy the terms and conditions of probation, Respondent may request the voluntary surrender of his or her license or registration. The Board or its designee reserves the right to evaluate Respondent's request and to exercise its discretion whether or not to grant the request, or to take any other action deemed appropriate and reasonable under the circumstances. Upon formal acceptance of the surrender, Respondent shall, within fifteen (15) days, deliver Respondent's pocket and/or wall certificate to the Board or its designee and Respondent shall no longer practice acupuncture. Upon formal acceptance of the tendered license, Respondent will no longer be subject to the terms and conditions of probation.

Voluntary surrender of Respondent’s license shall be considered disciplinary action and shall become a part of Respondent’s license history with the Board. If Respondent reapplies for an acupuncture license, the application shall be treated as a petition for reinstatement of a revoked or surrendered license.

12. **SEVERABILITY CLAUSE** Each condition of probation is a separate and distinct condition. If any condition of this Decision and Order, or any application thereof, is declared unenforceable in whole, in part, or to any extent, the remainder of this Decision and Order, and all other applications thereof, shall not be affected. Each condition of this Decision and Order shall separately be valid and enforceable to the fullest extent permitted by law.

13. **NOTIFICATION OF NAME, ADDRESS, TELEPHONE NUMBER OR E-MAIL ADDRESS CHANGES** Respondent shall notify the assigned probation monitor, in writing within ten (10) days, of any and all name, address, telephone and/or e-mail address changes.
14. MAINTENANCE OF CLEAR AND ACTIVE LICENSE

Respondent shall, at all times, maintain a clear and active current license with the Board, including any period of suspension or tolled probation. If an initial license must be issued (Statement of Issues) or a license is reinstated, probation shall not commence until a license is issued by the Board.

Respondent must complete the licensure process within two (2) years from the effective date of the Board’s Decision.

Should Respondent’s license expire, by operation of law or otherwise, upon renewal or reinstatement, Respondent’s license shall be subject to any and all conditions of this probation not previously satisfied.

15. COMPLETION OF PROBATION

Upon successful completion of probation, Respondent’s license will be fully restored.
