FIRST CAUSE FOR DISCIPLINE
(Gross Negligence)

10. Respondent is subject to disciplinary action under Code section 4955.2, subdivision (a) in that he committed acts of gross negligence. The circumstances are as follows:

11. On or about May 4, 2008, Patient C.T.\(^1\) saw Respondent for an evaluation of her back pain, and received an acupuncture treatment. Respondent prescribed Chinese herbs and advised the patient to get an MRI of her back. The patient saw Respondent for acupuncture treatments on May 6, 17, 20, and 24, 2008, and June 14 and 18, 2008.

12. The patient's back pain persisted, and she had difficulty standing and walking.
 Respondent agreed to provide an acupuncture treatment to Patient C.T. at her apartment. On November 15, 2008, Respondent came to the patient's apartment. Respondent told C.T. to take off her clothes, cover herself with a towel, and lay on her bed face down. Respondent lowered the towel exposing the patient's back, and then massaged and performed acupuncture on her shoulders and back for about an hour. After the treatment, Patient C.T. paid Respondent $50.00. Respondent hugged and kissed C.T., pulled her to the bed, and took off her clothes. The patient's mind went blank, fear overtook her body, and she was not able to speak. Respondent got undressed, got on top of the patient, and had sexual intercourse with her. Patient C.T. cried, but did not say anything to Respondent.

13. In late November or early December 2008, Patient C.T. called Respondent to confront him about the November 18, 2008 incident. Respondent came to the patient's home to talk to her. Respondent picked up C.T., kissed her, took off her clothes, and pushed her on to the bed. He undressed, got on top of her, and had sexual intercourse with her. The patient felt paralyzed and was overcome with fear.

14. In January 2009, Respondent called Patient C.T., and said he wanted to speak to her about these incidents. Respondent came to the patient's home and had sexual intercourse with her again. Patient C.T. felt ashamed, and did not speak to anyone about these incidents. Respondent continued to have an sexual intercourse with CT through November 2009.

15. During the next several months, Respondent continued to treat Patient C.T. at her home. Respondent's records indicate he treated the patient on May 19, 2009; September 28 and 30, 2009; October 3, 5, 7, 9, 12, 14, and 28, 2009; and November 2 and 6, 2009. In November 2009, Respondent had sexual intercourse again with C.T. 17. On or about March 11, 2011, during his interview with Medical Board Investigator Alexander, Respondent admitted the following facts.
